

Junior High and High School Students Directions For Remote Learning Login

1. Go to Edgenuity.com and click on the yellow Login button and then select student login or go directly to <https://auth.edgenuity.com/Login/Login/Student>
2. Your username and password are the same as your Google login. (firstname.lastname and FI123456)

3. Once you click login all of your courses will be visible.
Note: some high school courses had to remain in Google Classroom for various reasons. Please check your Google Classroom for those courses if you do not have all courses showing in Edgenuity.
