TITLE

Martha Washington's
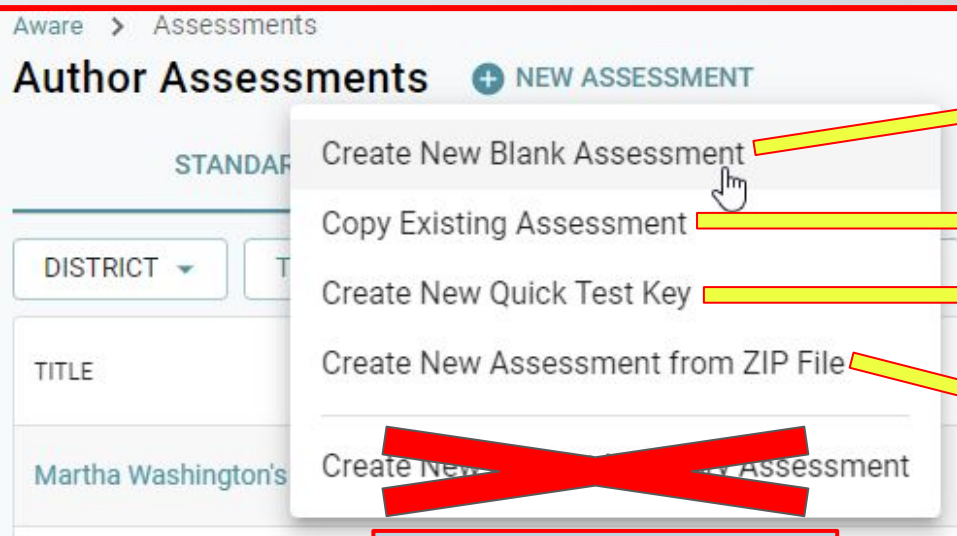

Creates a completely new test with questions and answer choices, from "scratch"

Creates a new test by copying a test that already exists

Creates a new test with no questions - just an answer key that you must create

-Allows you to upload large files that contain tests created outside of Eduphoria
   Supports these file types:

Rich Text Format...
HTML...
ExamView Question Bank...

ANGEL 7.1+...
Blackboard 6.0-7.0...
Blackboard 7.1+...
WebCT CE 4-6/Vista 3-4...

Tracking Test Creation
(Total Questions, DOK, TEKS, Types of Questions)

As you are creating your test, Eduphoria will keep a running list of the number of questions, the number of questions for each DOK level , the TEKS being tested, and the types of questions that will appear on the test.

A Reminder ...
-To ensure that TEKS are being tested at the correct rigor, follow these guidelines when creating/adding questions to your tests:

-DOK1 = 20 - 25% of the test questions

-DOK2 = 40 - 45% of the test questions

-DOK3 = 30 - 35% of the test questions

Approaches Grade Level
Students at this level have met the minimum passing standard for the given assessment. A student achieving the Approaches Grade Level standard is likely to succeed in the next grade level or course with targeted academic intervention. Knowledge is generally applied in familiar contexts. This level was previously the Satisfactory Level II Phase In Level.

Meets Grade Level
Student at this level have a greater likelihood of success in the next grade level or course however some short-term, targeted academic intervention may be necessary. A student achieving the Meets Grade Level standard is generally able to think critically and apply knowledge and skills in familiar contexts. This level was previously the Level II Final Phase In Level.

Masters Grade Level
Students at this level are expected to succeed at the next grade level or course with little or no academic intervention. A student achieving the Masters Grade Level standard has demonstrated the ability to think critically and apply knowledge and skills in both familiar and unfamiliar contexts. This level was previously the Level III Advanced Performance Level.
