

# RESOLUTION OF THE EDNA INDEPENDENT SCHOOL DISTRICT BOARD REGARDING HAZARDOUS TRAFFIC CONDITIONS

Whereas, Education Code 42.155(d) allows the Board of Trustees of Edna ISO to obtain supplemental state funding for transporting regular, otherwise ineligible students who live within two miles of their school but who would be subject to hazardous traffic conditions if they walked to school;

Whereas, the TEA handbook on School Transportation allotments requires the Board to adopt language providing the definition of hazardous traffic conditions applicable to the District and identifying the specific hazardous areas for which such funding is requested;

Whereas, the Board acknowledges the Education Code 42.155(d) provisions stating that a hazardous condition where no walkway is provided and students must walk along or cross a highway or major railroad crossing or another comparable condition;

NOW, THEREFORE, be it resolved that:

The Board of Trustees of Edna ISO has defined hazardous traffic conditions in the same manner as stated in Education Code 42.155(d) and has identified the following specific hazardous areas in which such conditions exist.

- Highway 111
